Form 990 - Additional Information

Part I, Line 1 - Organization's Mission

Our vision is that all children will have loving and stable families and a nurturing community empowering them to lead successful lives.

CYDC provides prevention and intervention services for children in Charleston, Berkeley and Dorchester counties who are at risk for or who have been abused, neglected or abandoned. Services are based out of CYDC's 16 acre campus in North Charleston, SC and 30+ acre campus known as the Callen-Lacey Center for Children in Moncks Corner, SC.

Form 990, Part III - Additional Information

Form 990, Part III, Line 4a - First Accomplishment

A leader in the state of South Carolina for the comprehensive treatment for children and adolescents who have experienced emotional, physical and sexual trauma, CYDC serves the community with residential care facilities that provide temporary or long-term care and treatment. The four facilities include the Charleston Emergency Shelter (CES), Ledford House, Callen-Lacey Center for Children (CCLC) and NuHouse. NuHouse serves youth transitioning from foster care into adulthood.

While at CYDC, children are not only provided with a safe and supportive environment that helps introduce normalcy and consistency into their daily lives and activities, they also receive important trauma-informed assessment and support services designed to address each child's individual educational, emotional, physical and social needs. In close partnership with the South Carolina Department of Social Services (DSS), CYDC assists

in the transition of the child back to home or to a more permanent home environment. At capacity, 48 children ages birth to 25 can be housed in CYDC facilities. The length of stay is typically decided by DSS and the court system and range from a few days to a few years. In 2019 the average stay was 180 days per child. CYDC's programs have been continuously accredited by the Council on Accreditation (COA) since 1980.

Form 990, Part III, Line 4b - Second Accomplishment

Community-Based Prevention Services

Empowering Families Network is our partnership program with Charleston and Berkeley County DSS to provide timely, integrated, culturally competent family strengthening and voluntary case management services to families with risk factors that could potentially result in harm to children if left unaddressed. The program aims to eliminate or significantly reduce identified risk factors for child abuse and neglect, and to enhance protective factors in families that result in the development of a plan to keep families together. An additional goal is to improve community networks that strengthen support systems for families in need.

Strengthening Families

CYDC delivers The Strengthening Families Program (SFP) in partnership with Children's Trust of South Carolina. SFP serves families with children ages 6 to 11 and is designed to help families develop positive discipline practices, stay resilient in tough times, reduce conflict, improve parenting skills, and assist children with social skills, relationships, and school performance.

Participants complete a 14-session program over the course of several months. The sessions, which always begin with a family meal, typically last 2½ hours and include parents and children meeting separately to work with

group leaders before coming together for shared activities to finish.

Participants who successfully complete the 14-session program are recognized in a graduation celebration.

Form 990, Part III, Line 4c - Third Accomplishment

The Bakker Career Center and CYDC Center for Life are located on the North Charleston campus and provide educational and job skills training as well as enrichment activities like music, art and recreation to CYDC residents and youth in the community. Without family support to provide these experiences, residents and neighboring youth count on CYDC to guide and help them develop. Programming includes partnerships with local job training programs, artists, volunteer mentors and area businesses.

Teen After-School Center

CYDC partners with the South Carolina Department of Juvenile Justice (DJJ) to host a community Teen After-School Center (TASC). This nationally recognized program is specifically designed to improve youth social/emotional/behavioral health while preventing involvement in the juvenile justice system or likelihood of incarceration. In the program youth are served with structured time, activities, and supervision between the end of the school day and when parents return from work. Creating a safe, supportive after-school environment where youth can receive assistance with homework, enjoy a healthy snack and play with friends improves the overall well-being and development of the child.
